

**13<sup>th</sup> meeting of SE43**  
**Paris, 20 – 22 March 2012**

---

**Date issued:** 05 March 2012

**Source:** UK

**Subject:**

This document gives guidance information on what may constitute the Draft regulatory requirements for white space devices in the UHF TV band in the UK. They have been generated in order to form the basis of discussion between Ofcom (UK) and the relevant stakeholders in the UK. It should also be noted that these are draft requirements which are still being discussed in the UK and is subject to changes. We will issue revised versions to SE43 as they become available.

**Proposal:** For information and discussion at the meeting
