Subject: Guidance to CEPT regarding the fifth update of the technical annex to the SRD Decision

Dear Mr Ewers,

During the recent 36th meeting of the Radio Spectrum Committee (RSC) the guidance from the Commission services to CEPT with regards to the fifth update of the SRD Decision was discussed and endorsed. This guidance is foreseen in the permanent SRD Mandate.

Please find the agreed guidance document, which sets the roadmap, the principles and issues of attention for the fifth update of the technical annex of the SRD Decision, attached (extract from RSCOM11-28 rev). I would appreciate if the deliverable could include an explanatory note on how the guidance has been taken into account.

Should you have any further question, do not hesitate to contact me (+32 2 2991280).

Yours sincerely,

Pearse O'Donohue
Chairman
Radio Spectrum Committee
