Dear Mr. Carrascosa,

It is my pleasure to invite you to give a talk on the subject "Spectrum Management in Europe" at the School of Telecommunication Engineering of the Universitat Politècnica de València in Spain. As we agreed, the talk will take place on Tuesday March 21<sup>st</sup>, 2017.

I believe your expertise on the field will provide to our students and faculty staff a meaningful vision on the spectrum management carried out by international institutions as the CEPT, for which the European Communications Office is the permanent supporting office.

I look forward to hearing from your response.

Sincerely,

ALBERTO GONZÁLEZ SALVADOR, DIRECTOR
